We are the Halls & we love wood fired pizza.

Saturday Nights have always been about homemade pizza & family time for us. Over the years, the family tradition has expanded as well as our desire to share it. In 2013 we opened our food truck & fell in love with sharing our pizza with you all! Now, we're delighted to be able to welcome you to our brick & mortar, an extension of our home. You're the best part & we love having you around. It's always Saturday Night at The Hall's Pizza Kitchen!

Find the food truck in your community by following us on social media.

Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food borne illness, especially if you have a medical condition.
